(YVRR)¹ has filed a verified notice of exemption under 49 CFR Part 1152 subpart F—*Exempt Abandonments and Discontinuances of Service* to discontinue service over 37 miles of rail line owned by BNSF Railway Company, between milepost 6.0 near Glendive and milepost 43.0 at Crane, in Dawson and Richland Counties, Mont.² The line traverses United States Postal Service Zip Codes 59217, 59262 and 59330.

YVRR has certified that: (1) No local traffic has moved over the line for at least 2 years; (2) any overhead traffic can be rerouted over other lines;³ (3) no formal complaint filed by a user of rail service on the line (or by a state or local government entity acting on behalf of such user) regarding cessation of service over the line either is pending with the Surface Transportation Board (Board) or with any U.S. District Court or has been decided in favor of complainant within the 2-year period; and (4) the requirements at 49 CFR 1105.12 (newspaper publication) and 49 CFR 1152.50(d)(1) (notice to governmental agencies) have been met.⁴

As a condition to this exemption, any employee adversely affected by the discontinuance shall be protected under *Oregon Short Line Railroad—Abandonment Portion Goshen Branch Between Firth & Ammon, in Bingham & Bonneville Counties, Idaho*, 360 I.C.C. 91 (1979). ³ While overhead traffic can be rerouted, applicant states that BNSF intends to route certain BNSF overhead traffic over the line after YVRR discontinues its operations and BNSF becomes the operator.

⁴ Because this is a discontinuance proceeding and not an abandonment, the proceeding is exempt from the requirements of 49 CFR 1105.7 (environmental reports), 49 CFR 1105.8 (historic reports), and 49 CFR 1105.11 (transmittal letter).

Provided no formal expression of intent to file an offer of financial assistance (OFA) has been received, this exemption will become effective on July 28, 2011, unless stayed pending reconsideration. Petitions to stay that do not involve environmental issues and formal expressions of intent to file an OFA for continued rail service under 49 CFR 1152.27(c)(2),⁵ must be filed by July 8, 2011.⁶ Petitions to reopen must be filed by July 18, 2011, with the Surface Transportation Board, 395 E Street, SW., Washington, DC 20423-0001.

SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Debt Cancellation Contracts and Debt Suspension Agreements.

OMB Control No.: 1557–0224.

Description: This submission covers an existing regulation and involves no change to the regulation or the information collection. The OCC requests that OMB approve its revised estimates and renew its approval of the information collection. The estimates have been revised to reflect the current number of national banks.

The regulation requires national banks to disclose information about a Debt Cancellation Contract (DCC) or Debt Suspension Agreement (DSA). The short form disclosure usually is made orally and is issued at the time the bank first solicits the purchase of a contract. The long form disclosure usually is made in writing and is issued before the customer completes the purchase of the contract. There are special rules for transactions by telephone, solicitations using written mail inserts or “take one” applications, and electronic transactions. Part 37 provides two forms of disclosure that serve as models for satisfying the requirements of the rule. Use of the forms is not mandatory. A bank may adjust the form and wording of its disclosures so long as the requirements of the regulation are met.

12 U.S.C. 24 (Seventh) authorizes national banks to enter into DCCs and DSAs. The requirements of part 37 enhance consumer protections for customers who buy DCCs and DSAs from national banks and ensure that national banks provide these products

in a safe and sound manner by requiring them to effectively manage their risk exposure.

Section 37.6

Section 37.6 and Appendices A and B to part 37 require a bank to provide the following disclosures, as appropriate:

- **Anti-tying**—A bank must inform the customer that purchase of the product is optional and neither its decision whether to approve the loan nor the terms and conditions of the loan are conditioned on the purchase of a DCC or DSA.

- **Explanation of debt suspension agreement**—A bank must disclose that if a customer activates the agreement, the customer’s duty to pay the loan principal and interest is only suspended and the customer must fully repay the loan after the period of suspension has expired.

- **Amount of the fee**—A bank must make disclosures regarding the amount of the fee. The disclosure must differ depending on whether the credit is open-end or closed-end. In the case of closed-end credit, the bank must disclose the total fee. In the case of open-end credit, the bank must either disclose that the periodic fee is based on the account balance multiplied by a unit cost and provide the unit cost, or disclose the formula used to compute the fee.

- **Lump sum payment of fee**—A bank must disclose, where appropriate, that a customer has the option to pay the fee in a single payment or in periodic payments. This disclosure is not appropriate in the case of a DCC or DSA provided in connection with a home mortgage loan since the option to pay the fee in a single payment is not available in that case. Banks are also required to disclose that adding the fee to the amount borrowed will increase the cost of the contract.

- **Lump sum payment of fee with no refund**—A bank must disclose that the customer has the option to choose a contract with or without a refund provision. This disclosure also states that prices of refund and no-refund products are likely to differ.

- **Refund of fee paid in lump sum**—If a bank permits a customer to pay the fee in a single payment and to add the fee to the amount borrowed, the bank must disclose the bank’s cancellation policy. The disclosure informs the customer of the bank’s refund policy, as applicable, *i.e.*, that the DCC or DSA: (i) May be canceled at any time for a refund; (ii) may be cancelled within a specified number of days for a full refund; or (iii) may be cancelled at any time with no refund.
