18. Valuation Technique(s) Used to Determine Fair Values

For each reporting unit, please describe the valuation technique(s) used to determine reported fair values. If securities are automatically valued at zero after a specified time period of inactivity, please specify the time period and whether this applies to the security or to the client's holdings of the security. Also, please specify how securities not actively traded on the report date and those with internally generated security identification numbers are valued.
